Mixed doubles: Season's first tourney plays this week!

We have an exciting week ahead as our **first tournament of the season** gets underway!

Our **mixed-doubles competition will be on court throughout the week**, with the finals next Sunday accompanied, of course, by our wonderful barbecue!

Photos of the week: Fun at World Team Tennis!

We had a fabulous turnout to World Team Tennis! Even the weather cooperated to let participants enjoy the entire day, including lots of fun play and a pizza and pie lunch (well-deserved after all of the efforts players made on court!) Below, our winners and other moments of the day.

Another opportunity opens for ratings, re-ratings

If you're a **Davisville newcomer this season**, another **opportunity to get rated** has opened.

Davisville returning members also have a chance to get re-rated.

Start 'em young: Sign up for our summer junior camp

Summer break is fast approaching, and there's no better fun for kids than to attend our **summer junior camps!**

Available for kids aged four to 16, the camps run half-day or full-day programs all summer long, every day except major holidays.

Kids will be grouped according to age. They

will spend time on and off court, developing their passion and skills for the game, not to mention just have fun.

Ladder players: Have you set up your matches?

The second round of singles ladders is underway, and with all of the fun activity at Davisville, you'd be wise to set up your matches with opponents in your box.

Please remember: Under our ladder rules, **all matches have to be played during club hours.**

Go, teams, go!

Wanted: Volunteers for Davisville Cup!

GAME OF TENNIS

With our annual **Davisville Cup** moved to Sept. 28 this season, we are still **seeking volunteers** to assist with organizing and holding this special event.

This season's theme will be "Game of Tennis." You can guess pretty easily what that is based on!

We are seeking volunteers for a variety of roles, including team captains, logistics, food and prize committees.

To help make this day one that can't be missed, please consider helping out. **Our president, Stuart, will be happy to see you raise your hand in an [e-mail to him!](#)**

Why you need the right footwear

Here is some sage advice from our head pro, Brian Ahlberg:

In recent days, I've noticed a lot of members playing with non-specific tennis shoes

It would be wise to **invest in a pair of tennis-specific shoes.**

They are designed to give more support when moving laterally, and will help reduce the risk of rolling an ankle and injuring yourself.

(By the way, **Davisville's dress code** calls for **players to wear only approved tennis shoes** on court. That means no jogging, running or other shoes that can leave marks. Shoes aren't the only item on the list. **To learn more about our dress code, [click here.](#)**)
